

Anybody Requiring Aid During the current Lockdown

The new lockdown is not as restrictive as the one earlier in the year but there may still be people in the villages that require help. Hopefully friends, family and neighbours will be able to help out, but if this is not possible In the first instance, they or someone on their behalf, should contact the NHS responders service. Details can be found by following this link:

If you still require further assistance, the Town Hall Committee still has a list of volunteers that are prepared to help with things like groceries, hospital transport etc. These volunteers can be contacted by emailing: [Assistance During Lockdown](#), or ring and leave a message : 01434 674315.

Please stay at home and keep safe.

If there is anyone who wishes to be added to the list of volunteers please email your details to [Assistance During Lockdown](#)
